

Announcing!!!! Driver Benefits Revised!

Higher Pay For Holidays & Personal Days

All full-time OTR, Local, Hourly and Jockey Drivers will receive an increase in pay for Holidays and Personal Days. Pay will increase from \$125 Holiday and \$100 Personal to \$200 per day for each!

Increased Personal Days

Every Driver will receive one additional Personal Day per year!

(You may cash in your 2020 Personal Day if requested before July 31, 2020, or save it until you need it.)

The Above Increases Are A Bonus To Say Thank You!

Our professional drivers have been at risk every day during the current Coronavirus Pandemic. In spite of that risk, our drivers get the job done - serving our communities and customers with courage and care.

This results in a \$750 per driver yearly increase as our ongoing expression of appreciation, not a one-time bonus. Thank you for a job well done!
